

Off We Go!

This week's story times are all about transportation. Share these rhymes and songs with your children to teach them about boats, cars, trucks, trains, and planes.

Row, Row, Row Your Boat

Row, row, row your boat
Gently down the stream.
Merrily, merrily, merrily, merrily
Life is but a dream.

Help your child move his or her arms in a rowing motion.

Traffic Light

(Tune: The Farmer in the Dell)

The green light means go
The green light means go
When you're driving on the road,
The green light means go.

The yellow light means slow...
The red light means stop...

Make a traffic light out of construction paper to show your child the different colors of the lights.

Drive, Drive, Drive Your Car

(Tune: Row, Row, Row Your Boat)

Drive, drive, drive your car
Safely down the street
Merrily, merrily, merrily, merrily
Don't forget to beep. Beep! Beep!

Try singing about trucks, buses, vans, and anything else you might drive! Make a paper plate into a steering wheel and let your little one drive around.

When I Travel...

(Written by Miss Katie)

When I travel on the water,
I sail in a boat.
When I travel in the air,
I fly in a plane.
When I travel on the road,
I drive in a car.
When I travel on the rails,
I ride on a train.
